**Dear Mr. Sumanth Jammula**

As a follow up to the discussion with **Mr. Sumanth Jammula**, this letter extends a formal offer to join TT Technologies Inc., Professional staff as an **Automation Engineer**. Your start date will be March 14, 2022.

- Physical location of employment: Temporarily working from home located at 8701 W Parmer Lane Apt 6331, Austin, TX 78729 and later move to Client location in Phoenix, AZ.
- Start date: March 14, 2022
- Employer contact information: 347-832-7371
- Number of hours per week: \$40/hr
- Compensation: \$47.20/hr
- Job title Automation Engineer

**Job Description:**

- Work with leadership team to provide strategic direction for existing tool set
- Build frameworks using Python, Rest APIs, Django for data ingestion as requested by the business
- Manage production releases by coordinating with ops teams
- Design, Develop and implement new functionality, as well as build enhancements, modifications and corrections to existing applications
- Implement and support CI/CD pipelines using Jenkins
- Document success criteria and monitor solution effectiveness, including solution effectiveness, including system performance, adoption and other key metrics
- Contribute to the requirements elicitation process by creating assigned parts of requirement's documentation with the guidance from supervisors
- Participate in KT sessions, help prepare system appreciation documents and support the transition process

As with all new employees, your continuing employment will be subject to an initial performance review after the first three months of introductory employment. Regardless of the corporate policy concerning reviews, an evaluation may be initiated at any time when the performance of the employee warrants such action. This offer letter should not be constructed as a contract. Your employment may be terminated at-will, for any reason, with or without cause or notice by the Company, or you may resign by providing 2 weeks' written notice.

We are very pleased that you are considering employment with TT Technologies Inc. I hope that you will make a positive decision regarding this offer and look forward to a mutually beneficial association. Please,

indicate your acceptance of the position by signing and dating in the space provided below and indicating your intended start date. Return the signed original to me within 72 hours of receipt. A copy of the signed will be placed in your personal file, and the original will be returned to you.

**E-Verify ID for TT Technologies Inc. is 238200.** This employment offer is subject to the USCIS rules and regulations concerning employment for international students on F1 visa and the ability to provide documentary proof that **Mr. Sumanth Jammula** is eligible to work for TT Technologies Inc. under OPT.

Sincerely,

**Venkat Reddy**  
**Director**
